

Fibre Cleanse is a comprehensive fibre blend that has a natural soothing and cleansing action on the digestive tract. It helps to reduce digestive inflammation, eliminate toxic substances and enhances the absorption and assimilation of nutrients

Fibre Cleanse is designed to promote digestion by restoring the integrity of the intestinal wall, supporting the growth of healthy intestinal bacteria, providing anti-oxidant protection and supplying critical support nutrients.

Suggested Use: Mix two level scoops (10g) with 100ml or more of water or your favourite juice.

You may take more depending on your nutritional needs. Pregnant or nursing mothers should consult a health practitioner.

Close tightly after opening and store in a cool, dry, dark place

300g
